WISDOM IS THE POWER TO PUT OUR TIME
AND KNOWLEDGE TO PROPER USE...

From the Town Chairman

The Board will consider, at the next November meeting, a revision of the Fireworks Ordinance which address the use of "target bombs" (Tannerite Targets) within the Town's corporate limit. Members of the community spoke out at the first meeting of November requesting restrictions be placed on the use of such items.

The Board has requested that the long-awaited speed calming signs for Ellison Bay be installed prior to the winter season. A series of unexpected delays has resulted in the delay of their installation.

The Tech Committee is planning to apply for a PSC Grant for installation of wireless broadband towers within our community. It is seeking support of town residents in support of the grant to send letters of support. Information on the letter is available at the Town Office. Please take the time and effort to send letters as we all are aware of the need for better broadband access within Liberty Grove.

The final bores to determine any possible contamination at the former Val A property have been taken. The go ahead to remove the structures has been approved.

On behalf of the Board, administration, town crews and committees I would like to wish everyone a very Happy Thanksgiving.

From your Town Board

Get in the Holiday and community spirit by ringing for a two-hour shift on a Friday or Saturday from November 29- December 21. Times are 10-12pm, 12-2pm, or 2-4pm. (At Al Johnson's we ring from 9-3). Please sign up at RegisterToRing.com or call Mary Rosecky at 854-5480 to volunteer for an open slot. All locations are indoors except the Pioneer Store.

Shop Local for the Holidays

As we approach the middle November and December this might be a good time to remind everyone that shopping locally is the best. It helps to keep people employed and shops open longer than the tourist season. You can find shops located in Liberty Grove by going to our web site, www.libertygrove.org and look under the business tab. If you know of a business in Liberty Grove that isn't listed on the web, contact Stacy Bell at 920-854-2934 and she can get that business in the directory.

Shopping locally saves time and gas and is safer when the snow is falling. Plan on shopping locally this year.

Public Service Commission of Wisconsin

Liberty Grove plans to apply for another PSC grant this December for funds to be spent in 2020 and 2021. One critical element in an application are letters from citizens and businesses supporting the application. **The purpose of this request is to ask for your help by providing a short, simple letter in support of our grant application. Support letters needed by November 25th, if possible** (our application is due in mid- December).

Your letter does not need to be more than three or four sentences. It should be to the effect that you know how important improved internet access is to the residents and businesses of Liberty Grove and that you support Liberty Grove's 2020 PSC grant request. Please send your Liberty Grove PSC grant application support letter to:
