

Welcome back to

DOOR COUNTY

Door County communities and businesses have been busy developing policies and procedures that will help provide safer travel to our area.

Door County is committed to WEDC recommendations and to the Commitment to Cleanliness and Safety Initiative. This initiative helps to ensure the safety for both visitors and residents by pledging to follow safety guidelines from Door County Medical Center and Door County Public Health.

Covid-19 has brought a lot of uncertainty to the world and has changed what 'normal' looks like. The following is a compilation of brief information to help aid you safely on your ventures in Door County. Please know that events of 50+ people have been cancelled, but Door County has more than events to offer you! Visit the [Welcome Center Directory](#), the links below or call ahead to verify your plans. It is also suggested you follow your favorite Door County businesses on social to keep up to date on what they are doing.

Enjoy your time in Door County!

Welcome Centers

- Welcome Centers located in 12 areas throughout the peninsula. Visit our [Welcome Center Directory](#) for more information.
- Some offering full service and/or curb side pick-up of brochures and information.
- Online itinerary planning at [DoorCounty.com](#)
- Door County Wide Information Specialists available by calling 920.743.4456 or email info@doorcounty.com.

Food

- Restaurants are opening their doors and patios and are taking steps to make sure sanitation efforts and table distancing meet and/or exceed standards.
- Dining rooms will fill up quickly so be sure to call ahead to see if you can make a reservation.
**A great way to skip the wait and crowds would be to call-in your order and pick it up to-go.*
- Many restaurants are still offering curbside pick-up and some even delivery.

Arts & Culture

- Many things to do and see throughout the peninsula from hands-on experiences to watching the magic unfold before your eyes.
- Call ahead or follow your favorite venues for updates and protocols.

Green Spaces

- 5 State Parks ([Sticker required](#))
- More than 50 public parks for you to enjoy.
- Some have restrooms, but some may not - so plan ahead.
- If you pack anything in, be sure to pack it out or find an appropriate receptacle.

Retail & Galleries

- Spice up your home like a local with some unique Door County finds and take advantage of places offering online shopping, curbside pick-up, and local delivery.
- Many retail shops, clothing stores, specialty shops and galleries will be open at a limited capacity.

Lodging

- Reserve your room now!
- Many hotels are modifying housekeeping protocols to prioritize your comfort and safety during your stay.
- Please check with your lodging establishment for specifics ie. Will the pool be open, etc.
- Ask if they are offering any insider packages to purchase for your convenience.

Beaches

- Door County has more than 50 beaches! Most are open, but please follow social distancing practices and any additional guidelines posted at the beach.
- Pack your trash out with you if a receptacle is not available.

Attractions

- Many attractions are adjusting and customizing their tours to allow for proper sanitizing between tours.
- Contact your attraction of interest for availability and protocols.

Events

- Communities and organizations are monitoring the current guidelines and event details may change.
- For up to date information visit the [events page](#).

We ask **YOU** to visit safely by

- #travelresponsibly
- If you're not feeling well, please stay home.
- While out and about
 - Physically distance at least six feet apart.
 - Use good hygiene and wear a mask if around others.
 - Leave No Trace, always. Pack it in, Pack it out.
 - Be patient. This is new territory for all of us.
 - Be kind. We all love Door County and need to keep it a welcoming place for all.
 - Call ahead. Things may have changed since you made plans to visit.
